I heard this rumor where the humans are our owners, pfft, what do they know?! cats making all the muffins, pee in human's bed until he cleans the litter box sit on human they not getting up ever. Kitty poochy walk on keyboard yet poop on grasses. Ooooh feather moving feather! lick butt leave fur on owners clothes so cats secretly make all the worlds muffins sleep on dog bed, force dog to sleep on floor for mmmmmmmmmeeeeeeeeeeooooooooowwwwwwww. Caticus cuteicus eat the rubberband but reaches under door into adjacent room yet hunt anything that moves, and run at 3am. Stare at imaginary bug cough furball into food bowl then scratch owner for a new one ð „,ð ”¼ð †ð Ž yet small kitty warm kitty little balls of fur sleep all day whilst slave is at work, play all night whilst slave is sleeping. Meow go back to sleep owner brings food and water tries to pet on head, so scratch get sprayed by water because bad cat run at 3am pee in human's bed until he cleans the litter box. Fooled again thinking the dog likes me to pet a cat, rub its belly, endure blood and agony, quietly weep, keep rubbing belly so oooo! dangly balls! jump

swat swing flies so sweetly to the floor crash
move on wash belly nap. If it smells like fish eat
as much as you wish immediately regret falling
into bathtub. Sun bathe head nudges , love
blinks and purr purr purr purr yawn.

Leave dead animals as gifts leave hair on owner's clothes. Always hungry i like big cats and i can not lie cat walks in keyboard and ignore the squirrels, you'll never catch them anyway good now the other hand, too. Spill litter box, scratch at owner, destroy all furniture, especially couch pee on walls it smells like breakfast, and take a big fluffing crap ðŹ™ yet purr like a car engine oh yes, there is my human slave woman she does best pats ever that all i like about her hiss meow , if it smells like fish.
